## VACANCY ADVERTISEMENT

VACANCY DETAILS	
VACANCY	PCU & Inspection Supervisor
DEPARTMENT	Business Development
LOCATION	West Africa

**We are currently looking to recruit for the role of PCU and Inspection Supervisor to oversee our new business venture based in West Africa.**

The role will involve being responsible for the running of the Pipe Care Unit (PCU) and all associated services in West Africa. They will need to manage and monitor the cleaning, preparation and inspection of all OCTG in conjunction with the team. They will also be responsible to train all personnel in OCTG inspection and maintenance.

This individual will need to be self-motivated and able to work well as part of a team and also with the minimum of supervision. Mechanical knowledge and skill set around pneumatics, pumps, valves, generators and compressors would be advantageous.

They will also need to be fluent in both French and English and have experience of working in West Africa.

**How to Apply:** Please submit your covering letter and CV to Karen West, HR Manager by e-mail [management.team@ramcotubular.com](mailto:management.team@ramcotubular.com) by 1700 hours on Wednesday 16<sup>th</sup> December 2020.
